

Volunteer Point Series Standings

CTC members came out in record numbers this year to lend a hand at local races. Close to 70 members helped out at four events or more, which represents a big improvement over past years.

Simply put, we couldn't have helped put on over 40 races this year if it weren't for all your great support, which, by the way, allowed local groups to raise more than \$25,000 for charity. Thank you all.

As a bonus, anyone who earned 20 points or more will have their fee waived to the 1995 Awards Banquet--and anyone who earned 6 points or more will receive a special gift.
