* - Penalty - 1 Minute - Improper Placement of Equipment - Bib#s 167 and 146

x - The following bib#s did not get recorded in the swim finish transition area... We had correct times but no bib#s for them:

125 146 147 149 154 161 164 184 194 199 200 221 246 247 253 256 258 263 271 277 287

The swim finish times for the above bib#s were assigned from the unassigned times in the order of bike start.

This likely is not the exact way things occurred but it is the best we can do with the information at hand.
